

Enterprise Content Management Document Management, Imaging And Archiving Email Archiving And Management Digital Texting Management Systems Clarification Questions

- Q 1. Whether companies from Outside USA can apply for this?
A. This is an RFP to engage a consultant to help us select a software platform. The consultant will perform a discovery to help us determine our needs and purchase accordingly. The consultant will need to meet the requirements of the request and comply with all relevant Washington State procurement laws.
- Q 2. Whether we need to come over there for meetings?
A. The consultant will need to be on site for various phases of this project.
- Q 3. Can we perform the tasks (related to RFP) outside USA?
A. See No. 1.
- Q 4. Can we submit the proposals via email?
A. No, Submittals shall be delivered to the Skagit P.U.D. Office in a sealed envelope.
- Q 5. Are you hoping to find one solution to handle both WCM and ECM, or would you consider separating the two, and purchasing one for “web content” and one for document management?
A. The consultant will perform a discovery to help us determine our needs and purchase accordingly.
- Q 6. Will you allow for us to do a live presentation of the platform/solution we are building for you prior to the RFP being submitted?
A. This is an RFP to engage a consultant to help us select a software platform. This is not an RFP for a software platform.
- Q 7. Is it required that we have experience within the State of Washington?
A. It is not required to have experience in Washington State.
- Q 8. Will we be unfavorably evaluated if we don't have Washington State experience?
A. The Panel will select the most qualified consultant based on the RFP, Evaluation of Proposals 3.0
